

# HEATER PARTS & ACCESSORIES

## Valve With Bypass

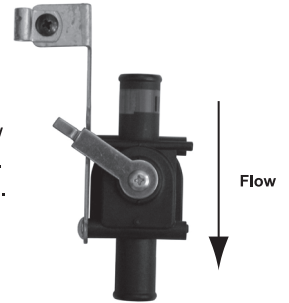

Cable controlled four way flow valve with bypass. Three 5/8" hose outlets and one 3/4" curved tube outlet. Plated steel.

Product # X971114856

## Shut-Off Valve

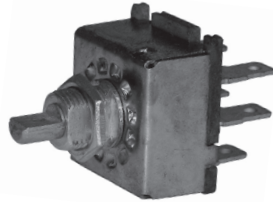

Cable controlled four way flow shut-off valve. 5/8" hose inlet/outlet. Composite plastic body - pull to open.

Product # X97998312205

## 3-Speed Rotary Heater Switch

Off-Low-Medium-High with 5 spade terminals. Knob sold separately (Product # E75FKB753X)

Product # E75K760XNF

## Heater Switch Knobs

Soft round with "D" clip retainer.

Product # E75FKB753X

Pointer style with set screw retainer.

Product # X9747008085

## Control Cable - Universal

Push/pull with plastic knob universal straight end sheathed cable. 60" long. 20 lb pull load.

**\*\* Many Other Control Cable Sizes And Styles Are Available. Please Contact Our Sales Department With Your Requirements. \*\***

Product # V82XX60CNF

## Single Ply Heater Hose

Single ply. Black rubber. 50 foot roll.

Product # V83XX625BK 5/8" I.D.

Product # V83XX750BK 3/4" I.D.

Product # V83XX100BK 1" I.D.

## Double Ply Heater Hose

Double ply premium. Black rubber. 250 foot spool.

Product # V83XX625PREM250 5/8" I.D.

**\*\* Complete Range Of Silicone Hose Also Available \*\***
