

# METRO VACUUM & BLOWER PRODUCTS

## Metro Automotive / Industrial Vacuum & Blower Products

Made in the USA, Metropolitan "Air Force" Vacuums and Air Blower products offer superior performing products for the automotive markets (detailing shops, automotive shops and hobbyists, motorcycle, etc.), industrial markets (electronics and pet care) with a full range of high volume blowers and vacuum products with specific attachments.

All Metro products have replaceable components which allow for ongoing rebuilding as required and are not throw away products.
